Application for Fellowship

We are very pleased that you wish to join the Society of Antiquaries of Scotland and become a Fellow.

To be eligible for election your application needs the support of two current Fellows who can confirm your interest in and commitment to the study and understanding of Scotland's past.

If you do not know any Fellows please contact the Society office by email (at info@socantscot.org).

You are responsible for contacting referees to ensure that they are happy to support your application. The Society will contact referees on receipt of your application to confirm their support.

Please see our website for application closing dates.

Applicants are advised to make sure that all of the application form is filled in correctly and the completed form is sent to the Society office (via post, email or via the website) in time for the closing date. Thank you.

(N.B. Please do not send the subscription payment with your form. Subscriptions are paid after the applicant has been successfully elected to join the Society).

Your application will be treated in confidence and, if accepted, offered for election by the Fellowship at the Society Anniversary Meeting in late November (usually 30 November, Saint Andrew's Day). By becoming a Fellow you are agreeing to the Society's data protection policy.
