Application for Fellowship

We are very pleased that you wish to become a Fellow.

To be eligible for election you will need two current Fellows who can confirm your interest in and commitment to the study and understanding of Scotland's past.

If you do not know any existing Fellows please contact director@socantscot.org. We may accept references from people in a position to know of, and appreciate, your interest in history and archaeology, provided that they tell us something about themselves and their experience.

You are responsible for contacting referees to ensure that they are happy to support your application. The Society will contact referees on receipt of your application to confirm their support.

Application deadline: **1 September**. Please make sure you have completed the form and, if your referees are Non-Fellows, please make sure you uploaded the required letters of support at the References Section below.

Your application will be treated in confidence and, if accepted, offered for election by the Fellowship at the Anniversary Meeting in late November (usually 30 November, St. Andrew's Day).

About You

We would like to know something about the interests and aspirations of prospective Fellows.

This helps us develop services and resources and allows us to confirm that the Society is what you want. What stimulated your interest in history, archaeology or antiquarianism, and how do you practise that interest?

.....
.....
.....

Your principal areas of interest:

.....
.....
.....

How would you like the Society to assist you to develop these interests?

.....

Declaration

You are required to agree to the following Declaration before your application can be considered. The substance of the declaration will become binding immediately upon being admitted as a Fellow.

I (full name), having been admitted a Fellow of the Society of Antiquaries of Scotland, undertake not to commit any act, nor make any statement, that is likely to bring the Society into disrepute nor to use the fact of my Fellowship to gain or seek to gain any advantage in a way that might be seen as contentious or improper.
