Other opportunities
From time-to-time throughout the year
opportunities arise for private views and
events which, owing to print deadlines, we
cannot feature in our Events Programme or
biannual Newsletter. You can keep up-to-date
by checking the Society’s news and events web
pages and reading our monthly e-bulletin.

Booking
Society lectures are free and bookable on a
first-come, first-served basis. To ensure a seat
at our increasingly popular events please
reserve a place by booking online:
www.socantscot.org/events
or by calling
0131 247 4133. Some of the Society’s other
events charge a fee (with Fellows discount
available), such as the Archaeological
Research in Progress conference and the
summer excursion.

Ideas for future events
If you have suggestions for new topics and
speakers for Society lectures do get in touch. The
annual Event Programme has to be planned
6-12 months in advance to give us enough
time to approach speakers and book venues,
so the sooner you send your ideas the better!
