Application for Fellowship

We are pleased that you wish to join the Society of Antiquaries of Scotland and become a Fellow.

The Society of Antiquaries of Scotland is the oldest antiquarian society in Scotland. Since its foundation in 1780, the Society has provided an active and independent forum for the study and enjoyment of Scotland's past, helping to translate Scotland's rich heritage, history and archaeology, highlighting the importance of past and new research.

To be eligible for election your application needs the support of one current Fellow who can confirm your interest in and commitment to the understanding of Scotland's past.

A list of current Fellows can be found on the Society website. If you do not know any Fellows please contact the Society office by email at fellowship@socantscot.org

Applicants are advised to make sure that the application form is filled in correctly and the fully completed form is sent to the Society office (via post, email or via the website) by the submission closing date. Thank you.

Please visit the Society website for application submission closing dates (www.socantscot.org).

(N.B. Please do *not* send the subscription payment with your form. Subscriptions are paid after the applicant has been successfully elected to join the Society).

Your application will be treated in confidence and, if accepted, offered for election by the Fellowship. By becoming a Fellow you are agreeing to the Society's data protection policy (www.socantscot.org/policies/data-protection-policy/).
